

To: All Town of Harmony Residents

Rock Disposal, Inc.
Will be servicing your waste disposal and recycling needs
Starting January 2, 2012, your pick up day will change to Monday

The Town board has taken the action to change your waste and recycling contractor because they believe there will be significant changes and additional services that will **improve** your overall service, while **saving your tax dollars**.

The containers are presently at the Town Hall in the conference room for your viewing.

***NOTE:** The default size container for Trash is 65-gallon, and Recycling is 95-gallon. If you prefer a different size container please call our office with your selection.*

We have ordered the containers, however they will not arrive until February. We will manually pick up your trash and recycling until containers are delivered. Please continue to put your trash out as you currently do. Rock Disposal will mail you clear, plastic bags to put your recycling in.

***NOTE:** If you need more clear plastic bags, please call our office and we will mail additional bags to you.*

You will receive a collection calendar indicating when various materials will be collected.

TRASH & other waste will be collected WEEKLY.

RECYCLING will be collected EVERY-OTHER-WEEK.

BULKY ITEMS will be collect once-per-month; you must notify the office prior to the scheduled bulky collection day and let us know what you want taken away.

E-WASTE (electronic waste) will be collected monthly along with bulky items and once-per-year at a location designated by the Town.

No construction/demolition/remodeling debris will be collected at the curb.
